

Serj Sangara Bio

A lifelong baseball enthusiast, Serj has dedicated much of his adult life to the game he loves. His coaching journey began in 1989 at Brighouse Park with Richmond Bantam and has included many notable accomplishments, including leading the BCMBA Midget Selects 18U AAA team to a Silver Medal as Head Coach in 2012. In 2015, he helped implement The Dugout Club's "Just Play Ball" program, further demonstrating his commitment to developing young athletes and fostering a love for baseball.

Through his involvement with The Ballyard, Serj became part of a facility that not only helped players refine their skills but also emphasized the importance of learning the game's "FUN-damentals." His passion for baseball extends beyond coaching, mentoring, and player development—it is truly a way of life.

When he's not on the field, Serj enjoys traveling, particularly to baseball-rich Arizona, and isn't afraid to show off his moves on the dance floor. Today, his focus has come full circle as he returns to Brighouse Park, where it all began, to train and inspire the next generation of eager ballplayers.
